

TCS EMEA GmbH was founded in 1968 as Sorma Vertrieb GmbH. From national trading establishment for cleaning equipment the company developed over the years to what it is today: the specialist in supplying high quality cleaning machinery and solutions.

Together with our strong partners and subsidiaries all over South- and Eastern Europe, Middle East and Africa, TCS EMEA GmbH satisfies customers in different kinds of branches such as industry, retail, healthcare, transport & logistics, municipalities, and, of course, service providers.

Environmentally friendly products and sustainable solutions are central aspects of our innovative product development and offer. Our customers benefit from a quick and reliable aftermarket service and longterm solutions for companies.

To strengthen our service team in Salzburg and Oberösterreich we are looking for immediate start a

Service Technician (m/f)

Back Office and External

Your responsibilities:

- Repair, service and maintenance of our cleaning machines at the customer's site or in repair shop
